

BONUS CONTENT

- 1 Place the template sheet under the bead tray.

- 2 Line up bead tray to outline on sheet.

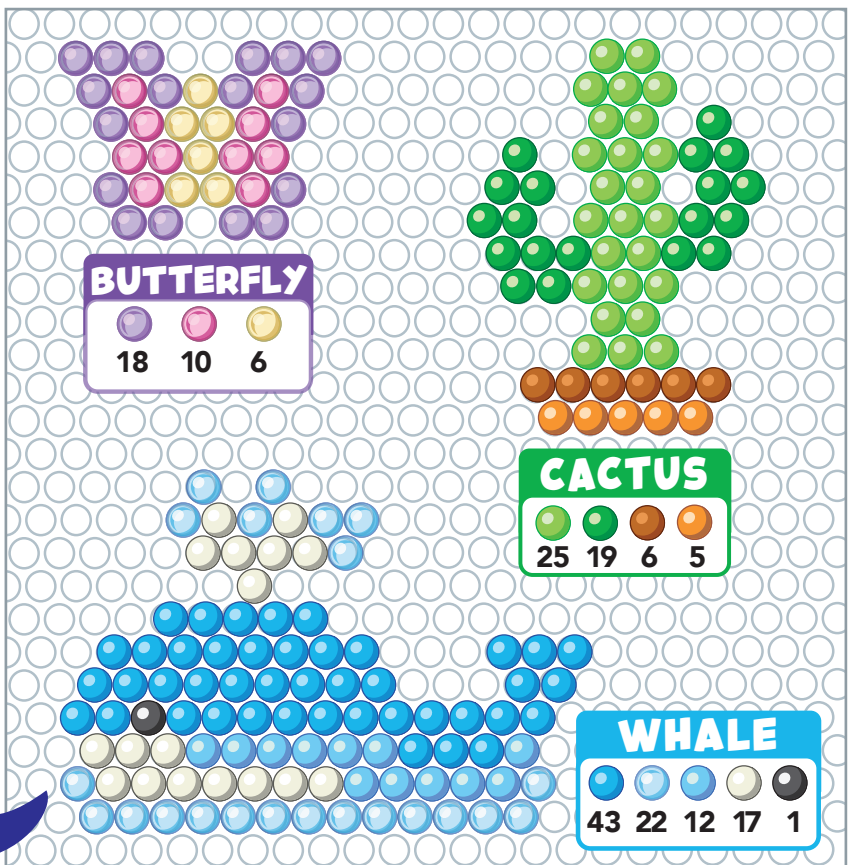

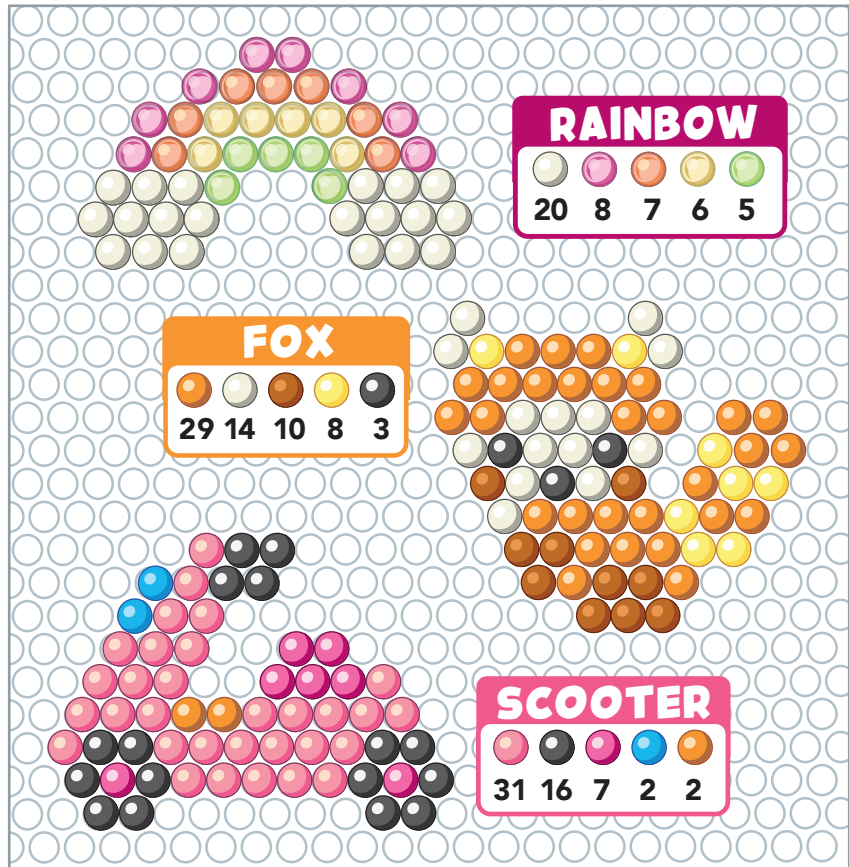

- 3 With sheet and bead tray aligned, bead placement is easy!

**USE ANY
COLOR
YOU WANT!**

Thanks for downloading these extra Bead Buddy designs! Just print on standard 8.5x11 in printer paper, cut them out, and use them the same way as the templates that come in the *LiquiFuze Water Bead Art Kit*!

Make sure to print single-sided so you don't cut your templates in half!

**PRINT 100%
SCALE**
